## **WHAT IS OKLAHOMA BIKER**

OKLAHOMA BIKER is the ONLY motorcycle lifestyle marketing company in Oklahoma that illustrates Oklahoma motorcycle runs, motorcycle rallies, and motorcycle events through pictures and written observations.

OKLAHOMA BIKER spotlights motorcycle runs, motorcycle rallies, motorcycle events, and biker friendly businesses — but mostly Oklahoma BIKERS.

OKLAHOMA BIKER began as a print magazine in 2004 to realistically portray the biker lifestyle to the citizenry of Oklahoma. Our mission is “to communicate what it means to be an Oklahoma biker and to illustrate the brotherhood existing between Oklahoma bikers.”

Today OKLAHOMA BIKER is the foremost provider of entertainment news and information to the Oklahoma biker community. This is accomplished through magazine publications, event promotions, websites, and social media.

OKLAHOMA BIKER is the place to look for biker friendly businesses, stories, events, and merchandise pertaining to Oklahoma and surrounding communities.

## Accomplishments

- The Motorcycle Riders Foundation has provided a strong, unyielding lobbying effort on behalf of motorcyclists in Washington D.C. since 1987
- Ensuring the responsible use of renewable fuels, especially regarding the labeling, dispensing and availability of higher blend ethanol fuels such as E15.
- Led the effort to repeal federal blackmail laws trying to force states to pass mandatory helmet laws for all riders
- Stopped federal legislation that would have classified any group of three or more riders wearing similar clothing as a 'gang'
- Stopped unfair insurance provisions targeting motorcyclists
- Helped to overturn road bans attempting to stop motorcyclists from using roads we pay taxes to maintain
- Overturned the 'superbike' ban attempting to stop the sale of high-performing motorcycles
- Stopped governmental agencies from using taxpayer dollars to lobby against motorcycling
- Continuing to ensure that motorcycles are accounted for in autonomous (self-driving) vehicle designs
- Working to stop motorcycle profiling and bogus check points by law enforcement agencies
- Supporting voluntary rider education efforts to decrease motorcycle accidents, and helping rider education programs to obtain government grants
- Protected the motorcycle industry from onerous and restrictive federal regulations that would have severely damaged the motorcycle aftermarket, and along with it, all riders' ability to modify their bikes the way they want to.
- Continuing to work to stop distracted driving
- Stopped unfair EPA regulations that, if endorsed, would have forced riders to use only 'Approved OEM' parts on their bikes
- For more than 30 years, the MRF has led a network of strong motorcyclists' rights organizations protecting rider's rights. The MRF has made sure that we can ride the kind of bikes we want to ride, with the people we want to ride with, wearing what we want to wear, on the roads we want to ride, and make the changes to our bikes that we want to make.

If you're not already a member of the MRF, **why not?**
