WHAT IS THE RIDERS MAGAZINE

"The Riders Magazine" is the ONLY motorcycle lifestyle marketing company in Oklahoma and the Dixie area that illustrates

Motorcycle runs, motorcycle rallies, and motorcycle events through pictures and written observations.

"The Riders Magazine" spotlights motorcycle runs, motorcycle rallies, motorcycle events, and biker friendly businesses — but mostly Oklahoma & Dixie BIKERS.

OKLAHOMA BIKER began as a print magazine in 2004 to realistically portray the biker lifestyle to the citizenry of Oklahoma. Our mission was "to communicate what it means to be an Oklahoma biker and to illustrate the brotherhood existing between Oklahoma bikers."

Today "The Riders Magazine" is the foremost provider of entertainment news and information to the Oklahoma & Dixie area biker community. This is accomplished through magazine publications, event promotions, websites, and social media.

The Riders Magazine is the place to look for biker friendly businesses, stories, events, and merchandise pertaining to Oklahoma & the Dixie area!.

Annual ABATE of Tulsa/Marines "Toys for Tots" Toy Run

Zwolle Christmas Festival

The Town of Zwolle holds a Christmas festival and parade every year with the Noble Sons RC doing bike & toy giveaways; as well as, hams and turkeys. When the parade is over, the kids always immediately get in a very long line to see Santa who comes after he gets off of the firetruck and to the festival grounds. Torrie Sepulvado, Martha Henderson, Trent Procell, James Hubbard and Pat Procell are on the town committee who worked hard on putting this together this year.

The Noble Sons are always a giving club and insisted I eat with them before the festivities began. I know for a fact what wonderful cooks they are, so who was I to argue!
It was a wonderful fellowship.

Once the parade was over the pavilion filled up quickly with excited children and their parents.
It appeared the event was a big hit again!

'Tis the Season to Be Broke

It's that time of year when money is in short supply for all of us, including Veterans. Here are ways vets can stretch their dollars.

Many companies offer Veterans' discounts. The discounts usually range from 5-10%, not enough to pay for your next motorcycle, but enough to cover most of the sales tax. We recommend developing the habit of always asking if the vendor offers a military discount. You will have to show your active or Veteran's issued ID.

You do have your Veteran's ID, don't you? If you don't have one, contact your nearest Veterans Administration facility to locate a business office. You will need to bring your DD Form 214 when applying. There is no charge when applying for your Veteran ID.

Banking & Car Insurance

– USAA offers special rates on insurance and banking. These rates are only offered to Veterans and their families. Check them out at <https://www.usaa.com>.

Veteran Discount Locator – A great one-stop place to locate vet friendly vendors for retail stores, cell phones services,

streaming services, car rentals, hotels, airlines, amusement parks, & restaurants is <https://veteranlife.com/money/veteran-discounts/>.

Vet Hiring Preference Jobs

– Maybe your funds are short because you need a job, or a better paying job. Being a vet can help you improve your employment status. The United States Post Office and the Corps of Army Engineers both give hiring preference to vets. Oklahoma Employment Commission also helps vets. Go to <https://oklahoma.gov/oesc.html> and click on the Veterans option.

Jobs & Benefits Resource

– <https://www.va.gov/VetResources/> is a weekly newsletter to keep you informed on benefits & job opportunities.

Thanks to all vets for their service to our country... Radar

FUR BALL FUN DAY

The Gray Ghosts MC Shreveport Chapter and 3State Harley put together a benefit for Pet Savers of Shreveport. The motorcycle/biker community came together big time! The bed of a truck was completely filled with cat & dog food, kitty litter & supplies, plus some cash was made for them through a photo shoot. It was a cold day! But the community still showed. Open Road Fellowship cooked jambalaya, the VFW in Bossier was set up to share information and hand out poppies, dog trainer Ala Arends was on hand to help and Schaefer Muller was providing the music. As cold as we were, I was especially impressed he could play that guitar with cold hands. Pet Savers brought out several pooches for adoption. My little 8-year old granddaughter was taking pictures up close and on their eye level and we ended up adopting one of the sweet pups.

Please adopt and don't shop! Contact Pet Savers either through their Facebook page or their website: petsaversshreveport.org.

A STUPID QUESTION

I think, I'm going to lose my drivers license and all just because of a stupid Question

The conversation went like this, when I got pulled over in my car:

Officer: "License and registration, please, I think you are drunk!"

Me: "I assure you, I did not drink anything."

Officer: "Ok, let's do a little test! Imagine driving in the dark on a highway at night, when you see two lights in the distance. What is this?"

Me: "A car."

Officer: "Of course! But which one? A Mercedes, an Audi or a Ford?"

Me: "I have no idea!"

Officer: "So, you're drunk."

Me: "But I didn't drink anything."

Officer: "Okay, one more test -- Imagine, you drive in the dark on a highway at night, and there is one light coming at you. What is it?"

Me: "A motorcycle."

Officer: "Of course! But which one? A Honda, a Kawasaki or a Harley?"

Me: "I have no idea!"

Officer: "As I suspected, you're drunk!"

Then I started to get annoyed and asked a counter question.

Me: "So..., counter question -- You're driving in the dark on a highway at night and see a woman on the roadside. She wears a mini skirt, fishnet stockings, high heeled shoes and only a bra as a top. What is this?"

Officer: "A prostitute of course."

Me: "Yes, but which one? Your daughter, your wife or your mother?"

Things went kinda downhill from there...

If you value your motorcycle freedom, please join us in meeting our state legislators to discuss motorcyclists' needs, concerns & rights.

Show our legislators that regardless of club or organization, we are united on bikers' rights.

Motorcyclists have been trying for over 5 years to get motorcycle anti-profiling protection written into Oklahoma law. Your presence at this important event shows our legislators that we are an energized block of voters regarding profiling and other issues.

BROTHER TO BROTHER

BEHOLD I TELL YOU A MYSTERY

1Cor.15:51 We will not all die....

But we will be transformed! It will happen in a moment,in the blink of an eye,when the last trump is blown. For when the trumpet sounds,those who have died in Christ,will be raised to live forever. And we who are living will also be transformed. Our dying bodies must be transformed into bodies that will never die. Our mortal bodies must be transformed into immortal bodies. Isn't that stinkin cool ?

For those who are alive and remain,at the coming of the Lord won't see death,but be transformed instantly. That's what I'm talking about right there !

Jesus is coming soon to planet earth to get you and me,if you know Him as Lord and Savior. Not only us, but all those who have died in Christ Jesus. We will all receive a glorified body, just like Jesus and we will always be with Him.

The signs of the time tell us He is on His way! By that I mean it can't be to far away. So be ready have your bags packed and sitting by the

door,anticipating the arrival of your Savior. This isn't the time to become comfortably numb,but you must shake yourself from slumber,stay awake and remain ready for His return!

Get into the Word of God until the Word gets into you! Be filled with the Holy Spirit and pray in the Spirit often. Keep your spirit burning brightly- don't get distracted and stop serving the Lord. Find someplace that you can serve Him in some capacity. When Jesus returns it will be like it was in the days of Noah: in those days before the flood, all the people were enjoying themselves, having banquets ,parties,and weddings right up until the time that Noah entered the Ark. People didn't realize what was going to happen until the flood came and swept them all away. It could happen this year,most everything is lined up and things are sure taking form. So be prepared; JESUS IS COMING SOON!!
